

## HEADLINER

Ashwini Bhide has made a comeback to the Mumbai Metro Rail Corporation (MMRCL) as the Managing Director! Bhide has been awarded this additional charge on top of her role as Additional Commissioner in the BMC. She is currently spearheading the Colaba-Seepz Metro-3 project. A 1995-batch IAS officer, she had served in the Mumbai Metropolitan Region Development Authority (MMRDA) since 2008. She has overseen several important projects including the eastern motorway between P D'Mello Road and Ghatkopar. She was previously appointed the Managing Director of MMRC, a JV between the Maharashtra Government and the Centre to build Metro-3 in January 2015, and the project has progressed quickly under her leadership.
