

REHABILITATION PLAN FOR METRO-3-AFFECTED PEOPLE WELCOME

The relocation of displaced residents of Girgaum and Kalbadevi because of Metro-3 work and the promise to relocate them in the buildings that will come up at the location is heartening (Metro-3 on track: 734 Kalbadevi, Girgaum tenants vacate structures, August 5). If this is how all project affected people (PAPs) are treated, I don't think residents will ever object to new infrastructure projects in the city.
