| Sr.no. | The points that were Raised by the persons affected by this PROJECT. | The information provided by the OFFICERS. |
|--------|--|--|
| 1 | Can we have a look at our rehabilitation place available? | Yes, plan in small groups & can see the rehabilitation sites. |
| 2 | In case our land / plot is required at an earlier stage then what would be the status of our rehabilitation? | Under Mumbai URBAN transport project (MUTP policy) policy permanent rooms under rehabilitation are given. It is proposed that rehabilitation of Mumbai Metro Rail corporation Naya Nagar –Mahim area's project affected people rehabilitation to be done at BHANDARI Metallurgy-Kurla (East) as the construction work of rehabilitation homes at this location is likely to be completed by December 2015.If before December, Naya Nagar, Mahim's land is required for project then (till the construction work gets completed) on temporary basis, rooms can be allotted at Bhakti park –Wadala or Oshiwara Andheri which are available with MMRDA |
| 3 | Can we have rehabilitation anywhere else except Bhandari Metallurgy? | MMRDA has option at Bhakti Park or at Oshiwara, where rehabilitation could be done in groups and can be considered. Area of 269 sq.ft is available at Bhandari Metallurgy whereas at other place it is only 225 sq. ft For any other option they have to apply in groups. |
| 4 | Who will pay Rs.20000/- per room towards the maintenance charges to co-op society? | As per rule Rupees.20000/- are received by SRA from the developer for each room. This amount is invested in bank on the name of MMRC & registered co-op society. The obtained interest can be used for the maintenance of the building. After 10 years this entire amount would be transferred in the name of the co-op housing society. |
| 5 | SRA scheme is being implemented at Naya nagar Division. If we wish to re-join this scheme can we do that? | The permanent rehabilitation would be done by MMRCL for that METRO-Rail line -3 project affected people .But if project affected. Persons would like to re-join SRA scheme then they must inform MRRCL in writing after returning /paying all the bills of the rooms distributed to them .While giving the allotment letters these all terms & conditions could be included & then on temporary basis possession could be given to them. If the persons are qualified for approved SRA scheme then they would be included. |
| 6 | Can this present land be re-available in SRA scheme? | At present the land at Naya Nagar area would be used for TBM launching machine. After the work gets over, such land would be returned to the earlier/original condition. |

| | | |
|----|---|--|
| 7 | Would we have to manage for shifting / transportation? | Shifting/transportation would be done as per MUTP rules & regulations. |
| 8 | Will our rehabilitation be on temporary or on permanent basis? | MMRCL affected persons rehabilitation will be on permanent basis but those who would like to join SRA scheme & would like to have temporary rehabilitation would have to give such written application/information. |
| 9 | Though persons were present at the time of survey, even then old owner's name has been entered. | Your complaint must be very clear & it must be in writing. Such complaints would be examined properly & then decision would be taken. |
| 10 | While giving rehabilitation how the documents /papers would be examined to be eligible? | On each structures /hut ID no. has been given. If the name has been included in the survey list & if the structure is getting affected by the project work, then all such slum owners would be given rehabilitation as per MUTP- R&R policy. |
| 11 | What type of documents/papers would be given by you for rehabilitation? | Allotment letter & room's distribution letter will be given. |
| 12 | Can we give our property right to our legal heir? | The possession would be given to the person whose name is included in survey draft list. Once co-operative society is registered, and then you may give nomination for room /flat. |
| 13 | Can we again do the redevelopment of this bldg after 10 years of rehabilitation? | As per state Govt. rules these rooms can't be transferred till 10 yrs. for redevelopment/rehabilitation of the bldg. the rule & regulation would be applicable as per state govt. laws |

The following suggestions/complaints of the affected persons those who were present are noted down which are as follows.

- 1) We would like to have rehabilitation at Bhandari Metallurgy. We don't want temporary rehabilitation anywhere else.
- 2) We would not accept 225 sq. ft. area's rooms. Our rehabilitation must be done at KURLA which has 269 sq. ft. size rooms.
- 3) We would choose our group leader & we would make & represent the special draft /list for rehabilitation to be done in groups
- 4) If Kurla rehabilitation homes construction work is delayed then other option for rehabilitation could be Oshiwara/Bhakti Park.

The meeting then ended with thanks to all the participants with a request seeking Co-operation of Resident in timely implementation of the project.
