

MMRC organises programme for its project affected women

Mumbai Metro Rail Corporation (MMRC) organised a programme exclusively for its project affected women to create awareness among them about women related laws, recently at Eklavya Adiwasi Sewa trust ground, Andheri. The program was conducted by adv. Pooja Kute who threw light on women's rights and laws related to women including domestic violence, harassment at workplace, anti-dowry law etc. MMRC Managing Director Ashwini Bhide said, "This was indeed very valuable information, and the issues being discussed are of importance for the development of women. We aim to arrange more such sessions that would aid in educating and empowering women." Sr. DGM (HR), MMRC, Maya Patole, Tehsildar Sangeeta Varade were present over the programme. Community Development Assistant, MMRC Seema Satpute and employees of MMRC strove hard for the success of the programme.
