

MMRC WINS 'BEST EXHIBITOR' AWARD IN DELHI

Mumbai: Mumbai Metro Rail Corporation (MMRC) has bagged the 'Best Exhibitor' award at the 8th urban mobility conference and expo held at New Delhi from November 24 to 27. Babul Supriyo, the Union minister of state for urban development and urban poverty alleviation, presented the award.

"This is just the kind of encouragement we need at this stage as we implement the Colaba-Bandra-Seepz Metro-3 corridor. The challenge at hand is daunting.

Metro-3 will be the first underground metro corridor in the city. But, I am sure, we will sail through with such backing", said Ashwini Bhide, managing director, MMRC.

The 3-D diorama, created to showcase the iconic buildings in the city of Mumbai along with the eye-catching view of the proposed metro station, was appreciated by chief guest M. Venkaiah Naidu, Union minister for the Urban development, urban poverty alleviation and parliamentary affairs.
