### **MMRC Signs Contract with ACES in Riyadh at LEAP-2024**

**Mumbai, March 5, 2024** – Mumbai Metro Rail Corporation (MMRC) and ACES India Private Limited, a wholly owned subsidiary of ACES Saudi Arabia, celebrated a landmark achievement with the contract signing ceremony for providing Mobile Infrastructure Services at Mumbai Metro Line-3. The ceremony took place at the popular LEAP-2024 Event - "A Digital DAVOS" on 4th March 2024 at the Riyadh, Saudi Arabia.

Present on the occasion were Ms. Ashwini Bhide – Managing Director-MMRC, Mr. R. Ramana - Director (Planning & Real-estate dev./ NFBR – MMRC), Eng. Bassam A. Al-Bassam, Deputy Minister For Telecom And Infrastructure from Ministry of Communications and Information Technology (MCIT), from ACES, Dr. Akram Aburas (CEO), Dr. Khalid Almashouq (CTO), Mohammed Mazher (MD ACES India), Amit Sharma (ACES India), Dr. Naif AlShammari - Deputy CEO of Saudi Exim Bank, from Embassy of India - Mr. Abu Mathen George – Deputy Chief of Mission and Ms. Manusmriti - Counsellor, and other prominent members from MMRC & ACES.

“We are pleased to partner with ACES India for providing Mobile Services Infrastructure for Mumbai Metro line-3. Which will now ensure the uninterrupted mobile connectivity to Metro-3 commuters. ACES is a leading International Neutral Digital Infrastructure company with rich global experience and our partnership will be instrumental in powering the digital experience to 625+ million Passengers annually” said Ms. Ashwini Bhide, IAS & Managing Director, MMRC.

Under the contract awarded for a duration of 12 years, ACES, will be responsible for providing mobile infrastructure services, including advanced 4G and 5G technologies serving more than 625+ million passengers annually across a total stretch of 33.5 kilometers, including 27 stations, platforms, concourses, and tunnels with seamless coverage, ultra-high speed and enhanced user-experience.
