MMRC and FDCM undertake plantation  
of 9000 plants by Miyawaki method

Mumbai, February 24, 2021 – Mumbai Metro Rail Corporation (MMRC) has entered into an agreement with the Forest Development Corporation of Maharashtra (FDCM) for compensatory plantation of 9000 plants using Miyawaki method on a 3000-sqm plot near Inorbit mall, Goregaon (West), Mumbai.

“We are pleased to initiate this huge plantation drive along with FDCM using Miyawaki method to create a dense forest in a short span of time to safeguard our environment – adhering to our green policy”, said Mr. Ranjit Singh Deol, MD, MMRC.

The drive will involve plantation of 9000 plants of various indigenous species such as Kath, Neem, Amla, Bakul, Sita Ashok, Chinch, Arjun, Badam, etc. over a period of three months. FDCM will maintain the plantation for the next two years.

Present at the signing of the agreement were Mr. Ranjit Singh Deol, Managing Director, MMRC; Mr. P.T. Moranker, Regional Manager, FDCM, Nashik region, Nashik; Mr. R. Ramana Executive Director (Planning), MMRC; Mr. K. B. Bhavar, Divisional Manager, FDCM; Mr. Shrinivas Nandargikar, Advisor (Civil), MMRC; Mr. Ajay Fulmali, Sr. DGM (Environment), MMRC; Mr. S. D. Gore, Asst. Manager, FDCM and Mr. Sandeep Sohani, Environment Scientist, MMRC. (Ends)
