

Colaba-Bandra-SEEPZ Metro-3 Corridor

MMRC receives Environmental Initiative of the year Award for TAI Tunnelling & Underground Space Awards 2022

Mumbai, June 28, 2022 – “Environmental Initiative of the year Award” was received by the Mumbai Metro Rail Corporation (MMRC) during the TAI Tunnelling & Underground Space Awards 2022 ceremony. The Award was presented by Dr. Mangu Singh, President, TAI, Lt. Gen. Mr. Suresh Sharma, Senior Vice President, TAI, Mr. R.K. Khali, Vice President, TAI, Mr. A.K. Dinkar, Secretary General, TAI, and received by Mr. S.K. Gupta, Director (Projects), MMRC and Mr. C.M. Jadhav, Executive Director (Civil), MMRC.

"It's always encouraging when initiatives taken are appreciated. Colaba-Bandra-SEEPZ Metro-3 corridor is an MRTS project. It will reduce the Greenhouse gas emission due to shifting of ridership from vehicles plying on the road to the metro. The metro projects would further ease traffic congestion on roads and thus reduce the air pollution caused by air pollutant gases emitted by the vehicles on the road. The project aims to improve city's environment, reduce pollution, improve connectivity and commutability", said Mr. S.V.R Srinivas, Metropolitan Commissioner, MMRDA and Managing Director, MMRC.

This is the 8th Edition of the ITA Tunnelling & Underground Space Awards. Tunnelling Asia' 2022, is the biennial international conference organized by Tunnelling Association of India (TAI) and the CBIP under the aegis of International Tunnelling and Underground Space Association (ITA). Since 2015, ITA Tunnelling and Underground Space Awards has been recognizing most ground-breaking innovations and outstanding projects in tunnelling and underground construction.

Present on the occasion were Mr. S.K. Gupta, Director (Projects), Mr. C.M. Jadhav, Executive Director (Civil), Mr. Suyash Trivedi, CPM/General Manager (Civil), Mr. Ajay Fulmali, Sr. DGM (Environment) and other senior officials of MMRC. **(Ends)**
