**Colaba-Bandra-SEEPZ Metro III Corridor**

**MMRC Opens bids for Depot (Electrical & Mechanical)**

Mumbai, July 03, 2018 – Mumbai Metro Rail Corporation received an excellent response from all the Bidders for procurement of the state of art Depot (Electrical & Mechanical) system for Colaba-Bandra-SEEPZ Metro- 3 corridor. The works includes Design, Supply, Installation, Testing & Commissioning of E&M works.

The companies that submitted the bids were:

- 1) M/s. Voltas Limited
- 2) M/s. Blue Star Limited
- 3) Consortium of M/s. ETA and M/s. Polycab,
- 4) M/s. Jakson Limited,
- 5) M/s. Sterling & Wilson Pvt. Ltd
- 6) M/s. Sam India Builtwell Pvt. Ltd

Commenting on the same, Managing Director MMRC, Ms. Ashwini Bhide said “We are pleased with the response from the bidders. To cater to the requirements of operations & maintenance of the Trains, depot will be equipped with the state of the art Electrical & Mechanical System.”

To promote “Make in India” initiative, the preference will be given to the local manufacturers as per the extant policy of the Government.
