

1.2 km of Metro 3 tunnels completed

STAFF REPORTER

MUMBAI

The Mumbai Metro Rail Corporation Ltd (MMRCL) on Monday said 1.2 km of tunnelling had been completed along various sections of the Metro 3 corridor. Eight tunnel boring machines (TBM) have been lowered at four sites: Azad Maidan, Naya Nagar near Mahim, Vidyanagri at Kalina and Marol Naka.

Ashwini Bhide, managing director, MMRCL, said, "After introducing our first TBM in November last year, it is indeed a milestone to have successfully completed more than 1,200m of tunnelling with eight machines. ."
