

It's official, party offices to be shifted for Metro III

Mumbai: Political party offices and some government offices situated on the Free Press Journal Marg, next to Vidhan Sabha, will be temporarily shifted to Ballard Pier, due to the Metro III corridor (Colaba-Bandra-Seepz).

Work of the underground tunnel required for the project has necessitated the displacement. A government resolution to this effect was issued on Wednesday.

As many as 26 government offices and eight offices belonging to the political parties near the upcoming Metro Vidhan Bhavan Station will be displaced.

The MMRCL had suggested MTNL, BSNL, MbPT and World Trade Centre as alternatives to accommodate the government offices and the offices belonging to political parties. TNN
